

# 1xslot bonus

Bonuses are the type of compensation paid to an eligible employee in addition to their hourly wage, contract amount, or annual salary. While many companies use bonuses in the form of cash, they can also take other forms such as gift cards, travel, or stock. Bonuses are often used to reward employees for exceptional performance or to attract and retain top talent. Most common types of bonuses include performance bonuses, commission bonuses, and profit-sharing bonuses.
