In truth, no-one can say for certain. but there are a number of theories! Some believe that since poker was often played on riverboats, in places where they were caught desaling themselves as an extra card would be rethrown from the rivers; others say that the true and the terster biover emstead comes with it french word sorrir... also known as fifth street, as it's the first and final of the five community cards. Most typically the river often makes or breaks a hand and decides the outcome with a showdown!
