Case Study: Overcoming Gambling Addiction

Bet365 seemed like a harmless platform where I could make some quick money. The site offered various games, including a popular one called Foguete. The idea seemed simple enough: the player places a bet, and if a rocket takes off and reaches certain altitudes, they would win big. However, luck seemed to be on my side when I started winning many times in a row, and my confidence began to grow. They kept telling me on TV that it was easy money until I was sure I would win the next game. Before I knew it, I was hooked. A day didn't go by where I didn't play Foguete at least twice.

The feelings of euphoria and anticipation while waiting for the rocket to rise is something I can't put into words. There are always maximum limits that promise spectacular rewards, but they require a significant stake. That kept me playing, even though I won almost all the time. My obsession intensified over time. I started wagering ridiculous sums of money, which my family couldn't understand because sometimes I'd be up 500+ in a game and walk away with nothing just because I was nervous. My account would stay up for days at a time, so I would play until I had to cancel my credit cards to stop the madness.

Likely, this narrative serves as a cautionary tale. It's

estimated that at least ten million people in Brazil currently struggle with gambling addiction. Many others are like me and don't understand their nature. No judgments are made, and in order to be objective, gaming and betting have positive stories, but other cases like crypto and others provide financial freedom. The big problem is dependency, and it surrounds both winning and losing bets because if you experience a successful streak and win huge, it may give you false confidence, and you neglect respons
