Illegal gaming is a misdemeanor carrying up to 6 months in jail and a fine of up to \$500. Though gambling has become a crime whenever there is a bank or a house that funds the game, all caught participants face being arrested including the dealer (and host). Penal Code 330 PC is the law in California - a house law offense; the penal code is {k0} At the moment, it is from no legal sport as betting in California. It is unlikely this state will legalize IN 2024; the expected legalization is 2024 or 2025. For now, online sports betting is only
