ABOUT GAME

Hugo may only have three toes, but you can still rely on this trusty tr

oll to

kick up plenty of fun on the football field as your teammat

e in Hugo Goal, a 3-reel

slot game from Play'n GO.

Hugo is in position as the game's wild symbol; he can

;

substitute for all ordinary symbols to help you score winning combinat

ions. As every

skilled professional knows, repeat practice the key to success. And wh

en you don't land

a win, there's the chance to score a Free Kick in one f

ree re-spin as a second chance.

Lining up two of the same character symbols on non-winning

spins will replay the action

over and over until you win, or hit a hat-trick of symbols

to trigger the Penalty

Shoot-out Bonus Game.

When Fate is on your side, the reels may just keep spinning until

;

you finally achieve your goal! Prepare for the Penalty Shoo

t-Out bonus round when you

get a full house: all nine symbols on the reels match, with

or without the help of

wilds.

Choose an area of the goal for Hugo to guard on each of the

five penalty kicks

to keep opposing team members like Afskylia and Don Croco from scoring

. Save all five

goals to win the glorious Golden Trophy and multiply all your bonus wi

nnings by 10!

In

Hugo Goal, you are the champion, my friend.
