The concept is simple. All you need to do is increase the size of Your bet after each loss. The idea is that you will eventually win, and that doesn't matter how long it takes. Using the Martingale strategy on several roulette spins will eventually result in a win, but you will also incur significant losses. This is why the Martingale betting system is not recommended. There are currently five licensed online sportsbooks in the Czech Republic, and anyone who wants to open an online account must register in the country.
