

estrela bet ganhe 5 reais

Caesars Entertainment confirmed that a social-engineering attack beginning in
led to the theft of data from members of its customer rewards program, according to a
filing with the Maine state attorney general's office. The attack was part of a broader
effort to steal sensitive information from the company's IT vendor through social engineering.
IMPORTANT ALERT FOR CAESARS REWARDS PROGRAM MEMBERS
Important alert for Caesars Rewards Program members. Caesars Entertainment has received
information that a social engineering attack was conducted against the company's IT vendor,
resulting in the theft of sensitive information from the company's IT systems. This
information includes the names and contact information of Caesars Rewards Program members.
If you are a member of the Caesars Rewards Program, please contact Caesars Entertainment
immediately at 1-800-772-7729 or visit www.caesars.com/rewards for more information.
If you are not a member of the Caesars Rewards Program, please do not provide any
information to anyone who claims to be from Caesars Entertainment or the Caesars Rewards
Program. If you have any questions, please contact Caesars Entertainment at 1-800-772-7729.
Thank you for your cooperation.
