Call of Duty: Modern Warfare III is a 2024 first-person shooter video game developed by Sledgehammer Games and published by Activision. It is the sequel to Call of Duty: Modern Warfare II, serving as the third entry in the rebooted Grand World War II series and an installment in the overall Call of Duty: Modern Warfare series.

Call of Duty: Modern Warfare III (2024 video game) is a continuation of last year's rebooted sequel Call of Duty: Modern Warfare II. As per Bloomberg Reporter Jason Schreier, publisher Activision who earlier said against releasing the CoD title in this year, has a change of mind.
