Blackjack is a card game played with a standard 52-card deck. The goal is to get a hand of cards that totals 21 without going over. The dealer's hand is dealt face down, and the player's hand is dealt face up. The player can choose to hit (take another card) or stand (keep the current hand). The player can also choose to double down (double the bet and take one more card) or split (split the hand into two separate hands).
