I would say that \$100 is my minimum amount to budget when visiting a casino. When playing with R\$100, the only table game I would be interested in playing is roulette, and only if the bet is R\$5 minimum or less. Only getting 10 spins at the table is not my idea of a good time.

What is the best way to gamble R\$100 at the casino? - Quora

What we suggest you do if you want to win at the casino with little money is, not in any specific order:

- 1 Find games with a high RTP.
- 2 Play casino games with the best payouts.
- 3 Learn about the games you are playing.
- 4 Take advantage of bonuses.
- 5 Know when to walk away.
