

jogando blackjack

A key difference between Blackjack and Spanish 21 is that 10s are removed from the deck in Spanish 21. In Blackjack, when the first two cards are dealt equal 22 and a combination of the face Card (Jack), Queen, King, and Ace cards add up to 21 (an Ace and the Card T, J, Q, K, A).

You may wish to "draw" or "stay". You can continue to draw cards until it is happy with your hand?
