<p>As such, the relatively small-scale team of software developers, mathem aticians and</p> <p> graphic designers which make up Cayetano's staff are poised ԁ 85; to provide some top</p> <p> spinning entertainment to players all over the world. That entertainme nt can be found</p> <p> in an impressive 💹 portfolio of 5-reel video slots and 3-reel classic arcade slot</p> <p> machines, some of which are optimised to be played on 💹 mobil e and tablet devices. These</p> <p> games are all expertly designed to a high contemporary standard while they offer a nice</p> <p> 💹 and varied approach to bonus features, ensuring that spinne rs' senses are as stimulated</p> <p> as their betting balances.</p> <p>From Bulgaria to Ireland</p> <p>Founded 💹 in 2009, the Cayetano</p> <p> Gaming operation is run from the company's headquarters in Sofia, the capital city of</p> <p> Bulgaria. It 💹 is here where the company's team of dedica ted e-gaming professionals</p> <p> developed a solid catalogue of slot machine games, so impressive € 185; that the team caught</p> <p> the attention of some big industry names. For a start, the software su pplier worked to</p> <p> deliver 💹 its games to the online casino SkyVegas, before the Irish gambling giants Paddy</p> <p> Power came sniffing to see what all 💹 the fuss was about.< <p>It would seem that Paddy Power</p> <p> were more than pleased with what this game studio had to 💹 of fer. That is because they</p> <p&qt; didn't just secure a deal to host some of the games designed by Ca yetano, but 💹 they</p> <p> completely bought out the company in 2011 to acquire the team as an in ternal software</p> <p> development asset. If that \$\%439\$; \$\%4128185\$; not a resounding endorseme nt of a software company's</p> <p> talent, then we don't know what is.</p> <p>You can play across the Cayetano 💹 Gaming range at</p> <p> Paddy Power, where you'll also find a fantastic collection of Rela x Gaming slots, Red</p>

<p> Tiger Gaming slots, 💹 and many more.</p>
