Microsoft has bought Activision Blizzard for an incredible \$69 billion, the biggest buyout in video game history, and on the way it will expand its Xbox and PlayStation game libraries, including Call of Duty, World of Warcraft, and Halo. Microsoft's acquisition of Activision Blizzard is a landmark deal, valued at \$68.8 billion, and it marks a significant expansion of Microsoft's gaming portfolio. The deal, announced on Monday, is expected to close in the second half of 2023.
