<p&gt;Cyclops Smash Review&lt;/p&gt;
<p&gt;Granted, these big old ogres could be pretty scary under the right&lt;/
p&qt;
<p&gt; circumstances. However, the only anger they &#128068; seem intent on
displaying is when the grid</p&gt;
<p&gt; does not produce a win. I spent many a happy spin missing &#128068; o

<p&gt; Cyclops bash the hell out of the beach and send the symbols &#128068;

<p&gt; seagull next to him is watching on with a certain &#128068; sense of
trepidation.</p&gt;

<p&gt; a fantastic job of reproducing Cyclops Smash on mobile devices as well
