

poker english

Joker Poker is a game consisting of the normal pack with 52 playing cards. With one card placed face down on the board. This person is chosen by a draw and given the right to turn over one card in playing cards. If the joker comes, the replayer usually inserts a cash prize... charts show you what card to hold based on your initial hand.

Check the Pay Tables: Different video poker machines have different pay-tables! Always use the machine with the best pay-commission. - Technopedia techomedia : gambling guides do
