PokerTracker 4 (PT4) consists of two separate products (Holdem & Omaha) Tj T\*

a free 14-day trial which we highly recommend that everyone takes advantage of prior to purchasing. To take advantage of the free trial, first download PokerTracker 4 then proceed to install the software. When you launch PokerTracker 4, there will be a window with a five second countdown. After the five seconds, choose which trial to begin (Holdem or Omaha) then click the 'Begin 14 Day Trial' button for the selected product. NO REGISTRATION CODE IS REQUIRED FOR THE FREE TRIAL.

Getting Started

Prior to beginning PokerTracker 4 for the first time, we strongly recommend that you take five minutes and read through the Quick Start Guide which will walk you through step-by-step instructions for configuring PokerTracker. Reading the Quick Start Guide will help you avoid many of the questions and problems that new users often encounter.

The second time that you launch PokerTracker 4 after beginning the trial, you can choose to begin the trial for the other product. If you are not yet ready to begin trialing the other product, click the 'Continue Trial' button to continue with your existing product's trial.

Both the Holdem and Omaha free 14 day trials can be run separately or at the same time.
