Q What happens when I subscribe? What happens when I subscribe? You will receive an

email containing your API key and links to help you get started.

Q When am I billed?

When am I billed? For paid plans, billing happens straight away. Payment then happens

automatically each month thereafter, on the same day of the month that the subscription

started.

For example if the first payment happens on the 1st of the month, you will be

charged on the 1st for subsequent months.

Q How can I cancel? How can I cancel?

Your

subscription will automatically cancel before the next billing cycle.

You can cancel

your subscription at any time using this form or in the accounts portal

Your

subscription will automatically cancel before the next billing

cycle.

Q What is a

request? What is a request? A single request returns live and upcoming

games for a

given sport, betting market, and bookmaker region. Each game includes

a start time,

participants, and bookmaker odds for the specified region.

Example:

if you request odds

for basketball NBA, from US-region bookmakers, and moneyline betting m

arkets, the API

will return live and upcoming NBA games, showing moneyline

odds from US bookmakers.

This will count as 1 request from your plan's usage quota.
