

vulkan bonus

<p>Bonuses</p>

<p>partypoker invites new players to take advantage of their welcome bonus offer,</p>

<p>which makes up to £250 available, contingent on £ the size of your first deposits. The</p>

<p>offer is triggered with a minimum deposit of £10, and is restrict

ed to £ new customers</p>

<p>only. As is the norm, terms and conditions do apply to the bonus, and

it's worth</p>

<p>familiarising yourself £ with these in more detail before deciding

to sign up.</p>

<p>The bonus</p>

<p>is awarded within 48 hours of your first eligible £ deposit, which

must be made within</p>

<p>the first 120 days. The bonus is paid out as a 100% match on £ the

size of your first</p>

<p>deposit, and there is a window of 90 days from receipt of the bonus fo

r £ you to release</p>

<p>the full amount of the bonus, which is paid in 10 increments.</p>

;

<p>The bonus is tied to the</p>

<p>£ loyalty points you accrue in this first period, at a rate of 1 lo

yalty point perR\$1</p>

<p>rake generated, and each £ time the value of the deposit is earned

0.12 times, you are</p>

<p>awarded a 10% share of the bonus amount £ equivalent to a 12x mul

tiple.</p>

<p>This is a</p>

<p>little complicated, but it's nothing out of the ordinary for poker bon

uses. £ While the</p>

<p>bonus amount is decent, the terms are a little restrictive, and of cou

urse, hard to keep</p>

<p>track of £ luckily, partypoker does this for you, with the bonus

section in your</p>

<p>account showing your progress towards meeting the £ withdrawal crit

eria.</p>

<p>In terms of the</p>

<p>bonus release clauses, this is an OK time frame for players who are se

rious about £ their</p>

<p>poker, although newbies might find it a little on the slow side. Other

wise, it's an OK</p>

<p>bonus comparatively, and £ stands as another good reason to make pa

rtypoker your first</p>

<p>choice.</p>

<p></p>
